\*1 – Home Base is the geographical location for your HOEP Emergency Plan, typically your home or business.

\*2 – Principals are the people whom you want to service and protect in an emergency, typically you and your family for a home Emergency Plan, or you, your staff and employees for a business Emergency Plan.

\*3 – Action Messages are specially formatted emails and text messages that can be sent out to individuals or groups during an emergency advising them of your status and, when needed, requesting specific action.

\*4 – Emergency Contact Notifications can be set up for each Principal (e.g., an employee's spouse or family contact).

\*5 – Future Grand Pan Contact Management integration.

\*6 – The Contact QuickList provides a Contact row list with quick connection buttons to the Contact's primary phone, email, and Web site.

\*7 – Silver and Gold / Home Base and Principals only.

\*8 – Silver and Gold / Home Base only.

\*9 – Silver and Gold / Principals only.

\*10 – Silver and Gold / Limited data import.

\*11 – Silver and Gold / Reports can be exported to data file formats.
